This Bond is one of a series of bonds of the City, known generally as "City of Reading, Berks County General Obligation Bonds, Series of 2008" (the "Bonds"), in the aggregate principal amount of Fifty Million Dollars (\$50,000,000). The Bonds have been authorized for issuance in accordance with provisions of the Local Government Unit Debt Act (the "Act") of the Commonwealth, and by virtue of an Ordinance duly enacted on November 30, 2006, as amended and supplemented by an Ordinance duly enacted on October 27, 2008 (the "Ordinance") by the City. The Act, as such shall have been in effect when the Bonds were authorized, and the Ordinance shall constitute a contract between the City and registered owners, from time to time, of the Bonds.

In the Ordinance, the City has covenanted with registered owners, from time to time, of the Bonds that shall be outstanding, from time to time, that the City: (i) shall include the amount of the debt service for the Bonds, for each fiscal year of the City in which such sums are payable, in its budget for that fiscal year, (ii) shall appropriate such amounts from its general revenues for the payment of such debt service, and (iii) shall duly and punctually pay or cause to

The Bonds maturing on or after November 1, 20__, shall be subject to redemption, prior to maturity, at the option of this City, in whole or in part, in any order of maturities, at any time on or after November 1, 20__, at a price equal to 100% of the principal amount of the Bond to be redeemed and accrued interest thereon to the date fixed for such optional redemption. In the event that less than all Bonds of a particular maturity are to be redeemed, the Bonds of such maturity to be redeemed shall be drawn by lot by the Paying Agent.

The Bonds stated to mature on November 1, 20__, are subject to mandatory redemption prior to maturity on November 1 of the years (at a price equal to the principal amount of the Bonds called for mandatory redemption plus accrued interest thereon to the date fixed for such mandatory redemption) and in the principal amounts as set forth in the following schedule, as drawn by lot by the Paying Agent.

The Bonds stated to mature on November 1, 20__, are subject to mandatory redemption prior to maturity on November 1 of the years (at a price equal to the principal amount of the Bonds called for mandatory redemption plus accrued interest thereon to the date fixed for such mandatory redemption) and in the principal amounts as set forth in the following schedule, as drawn by lot by the Paying Agent.

<u>Year</u>	<u>Principal Amount</u>
-------------	-----------------------------

* At maturity

Bonds may be redeemed in part in denominations of \$5,000 or any integral multiple thereof, but no portion of the Bonds may be redeemed that would result in a Bond which is not in an authorized denomination, unless the moneys scheduled for redemption cannot

be used for redemption. For this purpose, the Paying Agent will consider each Bond in a denomination larger than the minimum authorized denomination to be separate Bonds each in the denomination of \$5,000.

Any such redemption shall be upon application of moneys available for such purpose in the Mandatory Sinking Fund established under the Ordinance.

GENERAL PROVISIONS

This Bond shall not be entitled to any benefit under the Ordinance nor shall it be valid, obligatory or enforceable for any purpose until this Bond shall have been authenticated by the Paying Agent. The holder of this Bond, by acceptance hereof, shall be deemed to have assented to all terms and conditions of the Ordinance.

The Bonds are issuable only as registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof.

This Bond may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations, of the same series, maturity and interest rate, upon surrender of this Bond to the Paying Agent, with written instructions for exchange satisfactory to the Paying Agent.

The City and the Paying Agent may deem and treat the registered owner of this Bond as the absolute owner hereof (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes, and the City and the Paying Agent shall not be affected by any notice to the contrary. This Bond may be transferred by the registered owner hereof upon surrender of this Bond to the Paying Agent, accompanied by a written instrument or instruments in form, with instructions, and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner of this Bond or his attorney-in-fact or legal representative. The Paying Agent shall enter any transfer of ownership of this Bond in the registration books and shall authenticate and deliver at the earliest practicable time in the name of the transferee or transferees a new fully registered bond or bonds of the same series, maturity and interest rate in an authorized denomination and in the aggregate principal amount which the registered owner is entitled to receive.

The City and the Paying Agent shall not be required to issue or to register the transfer of or exchange any Bonds then considered for redemption during a period beginning at the close of business on the fifteenth (15th) day next preceding any date of selection of Bonds to be redeemed and ending at the close of business on the day of mailing of the applicable notice of redemption as hereinafter provided.

If less than all Bonds are to be redeemed at one time, the selection of the Bonds to be redeemed shall be made by lot or by such other method as the Paying Agent deems fair and appropriate.

If the Bonds or portions thereof are called for redemption and money for the redemption thereof is held by the Paying Agent on the redemption date, such Bonds or portions

thereof to be redeemed shall cease to bear interest, and shall cease to be secured by, and shall not be deemed to be outstanding under, the Ordinance.

Notice of redemption shall be given by mailing a copy of the redemption notice by first class mail, postage prepaid, not more than 60 days and not less than 30 days prior to the date fixed for redemption, to the Holder of each Bond to be redeemed in whole or in part at such Holder's address shown on the registration books for the Bonds maintained by the Paying Agent, as bond registrar. Notice of optional redemption may be conditioned upon the deposit of money sufficient to effect such redemption in the Sinking Fund established under the Ordinance not later than 12:00 noon on the date fixed for redemption and such notice shall be of no effect, and the redemption shall be deemed canceled, unless sufficient money is so deposited.

If this Bond is of a denomination larger than the minimum authorized denomination, a portion of this Bond (in any integral multiple of \$5,000) may be redeemed. In the case of partial redemption of this Bond, payment of the redemption price of the portion of this Bond so called for redemption shall be made only upon surrender of this Bond in exchange for Bonds of authorized denominations in aggregate principal amount equal to the unredeemed portion of the principal amount hereof; Provided, however, that if this Bond is registered in the name of The Depository Trust Company ("DTC") or Cede & Co., as nominee for DTC, or any other nominee of DTC, or any other successor securities depository or its nominee, this Bond need not be surrendered for payment and exchange in the event of a partial redemption hereof and the records of the Paying Agent shall be conclusive as to the amount of this Bond which shall have been redeemed.

All capitalized terms and phrases that are used in this Bond but not defined herein shall have the meanings given thereto in the Ordinance.

It hereby is certified that all acts, conditions and things required to be done, to happen or to be performed as conditions precedent to and in issuance of this Bond or in creation of the debt of which this Bond is evidence have been done, have happened or have been performed in due and regular form and manner, as required by law.
